

Aggie Moms' General Meeting Minutes  
November 1, 2011

Opening prayer was given and Pledge of Allegiance was led by Laura Smith. President Annette Mollere discussed goody bags – stuffing, delivery and Galveston. Bags will be stuffed November 30 at Aggie Park and delivered December 1. Galveston date is pending – contact Cyndi Lemanski for more information.

There is a change in the December meeting. We will still honor Past Presidents, but BG (ret) Ramirez will be the speaker, and dinner will be catered. Tickets are \$12.

January will have a Fun Event at Joe's Crab Shack, 410 @ Summit. Aggie Moms will earn a percentage of sales. The February event will be "Oklahoma!", at the San Pedro Playhouse, on the 18<sup>th</sup>.

The Aggie Store has great new items – check them out! Also, reminder that stadium seats are available for \$40 each. See Damary Henry about them.

Aggie Moms Camp was a big success. We had great representation – 20 members!

Parents Weekend will be at the end of March. We are putting together a raffle. It will be an electronics package, and donations are appreciated.

Feed the Band will be at Aggie Park on April 27. Homemade desserts are needed.

New Board member Brenda Kelling was introduced. She will be handling Programs.

Speaker David McMahon presented valuable information about the Career Center, and the many services it provides for students throughout their years in Aggieland, such as Career Advising, which includes resume reviews and job search skills. The Career Center also provides interview services, former student services, a resource library, and sponsors career fairs.

The Career Center has been nationally recognized as the No. 2 recruiting school among hiring firms. One of the reasons contributing to this high rating is the centralized nature of the Center.

Door prizes and student drawing winners were also awarded. Student winners were Heather Fox, Ryan Tate, and Megan Griffith.

Braggs were shared.

Meeting adjourned.

Respectfully submitted,

Margaret Rodriguez  
Recording Secretary
