

San Antonio A&M Club

The Club schedules events to provide Aggies with an opportunity to socialize and build new friendships or strengthen old ones. The Club has a strong focus to provide scholarships to Bexar county students who attend Texas A&M. You do not have to be a member to attend events, but membership has its benefits: money raised goes to fund scholarships and members receive discounted tickets and door prizes at club events. In effect, members save money as well as support the future of local Aggies. Please visit <http://www.AggiePark.com> for more information.

What is Aggie Park?

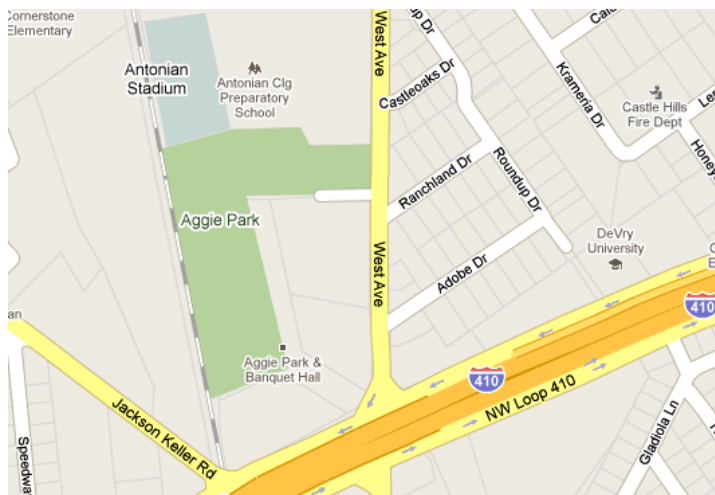

The San Antonio A&M Club is the only alumni club with its own property and facility. Aggie Park consists of a banquet hall, BBQ pits, and an outdoor park and pavilion. Aside from hosting A&M Club events, the facility can be rented for weddings, business meetings, and various reunions. The San Antonio A&M Club is lucky to have such a facility.
